GROWTH NOV 1994 - SEP 2026

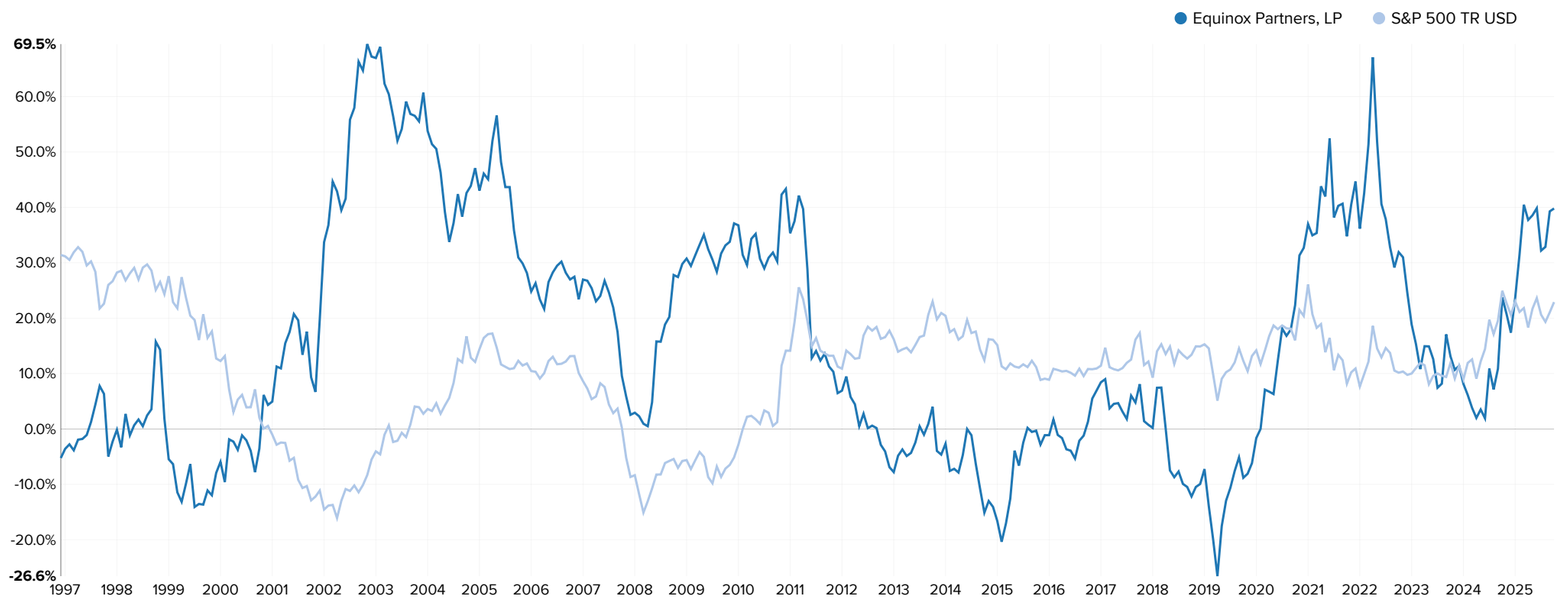

Past performance is not a guarantee of future results. Any investment in a fund entails a risk of loss, including the entire amount invested. Performance is shown net of management fees, incentive allocations, expenses, and commissions unless otherwise indicated. An investors′ performance may differ based on investor class, timing of contributions, withdrawals and participation in new issues. All performance is unaudited and based on valuations prepared by the advisor and is subject to revision. Performance does not reflect the performance of investing in Equinox Partners, L.P. through its feeder fund, Equinox Fund International Ltd., which has different expenses and tax treatment and may result in lower performance than that shown. Potential investors in Equinox Fund International Ltd. should refer to the performance information for that fund. The monthly holding period returns are geometrically linked to derive time-weighted rates of return on a year-to-date and annual basis. The S&P 500 Index (SPX) is a broad based index that includes leading companies in leading industries of the U.S. economy. The indexes are inclusive of reinvested dividends and other earnings, and are provided only for general comparison purposes and differ from the strategy and portfolio of the fund. The indexes do not reflect the deduction of fees and expenses. This summary page is not an offer to sell Equinox Partners, L.P., which can only be offered through the fund′s private placement memorandum. Neither this document nor any information contained herein may be distributed in its current or any modified form without the prior written authorization of Equinox Partners Investment Management, LLC.
